On 31st October, 2007, our school organized the Wizard of Oz Day. On that day, I watched the Wizard of Oz film with my classmates in the classroom. Then, some P.6 students came to our classroom and asked us a few questions about the film.

After recess, we played some group games in the hall. Then, we walked along "The Yellow Brick Road". I was scared by "The Moving Trees". I screamed.

After lunch, we played booth games and watched a variety show. Finally, we had a tea party.

I felt very happy because the Day was special and interesting. I learned a lot from the activities.

On that day, I brought a lot of candies to school. After I went up to my classroom, I shared my candies with my classmates.

At recess, my class teacher took us to the seventh floor. When we were about to go inside, we all felt frightened because the room looked like a haunted house.

On that day, it was very fun. I really enjoyed the day.

We played interesting games all day. I liked them all!

31st October was the Wizard of Oz Day. A lot of students wore costumes. They pretended to be Dorothy, Toto, the Lion and other characters on the Wizard of Oz Day.

When I went to the classroom, I was surprised because Miss Kong dressed like a little girl. She had some black dots on her face and had her hair tied up. Later, I went down the playground and set up fun games with my classmates because some kindergarten children would come to play with us.

I felt very happy on that day because I could learn and play with many little children and my friends.

I still remember the Wizard of Oz Day. On that day, we had a party. I saw many schoolmates dressed beautifully. The school was decorated as the Emerald City. And also, many teachers and schoolmates dressed up as different characters, such as, Batman, Dorothy, Tin Man and Witch. I thought that I was in the story. My friends and I were responsible for one game stall so we needed to prepare everything before the party. All the student helpers could walk along "The Yellow Brick Road" first. Therefore, my friends and I went to the 7th Floor. The Road was very dark so we felt very scared. Before we left school, we had a tea party. On that day, I had a chance to practise my English and learned a lot from the day. I felt very happy.

On that day, many students wore cool costumes, such as Tin Man, Scarecrow, Lion and Dorothy. They really worked hard on their costumes. We had snacks and played some fun games. Everybody enjoyed themselves very much because no one got tired of playing and eating. After that, we walked along "The Yellow Brick Road". We were attracted by the amazing decorations. My class had some game stalls in the hall. The students had a lot of fun so we were sure we had done a great job. Everything ran smoothly on that day. It was a joyous day for everybody. I hope that there will be this kind of special event next year.

31st October, 2007 was the English Activity Day. The topic was the Wizard of Oz. On that morning, I watched the Wizard of Oz movie with my classmates. We liked it very much. After that, we visited some junior classes. We asked them some questions about the movie. The children who were bright and clever could answer the questions correctly. At recess, we played games in the playground. In the afternoon, all the P.6 classes performed a variety show. It was great. All my schoolmates enjoyed the show very much. Then, we walked along "The Yellow Brick Road". I saw Mr Yan. He was dressed like a woman. Some classmates were scared. Before we went home, we had a tea party. I ate a lot of snacks. They tasted good. I really liked the day.

31st October was Halloween. But our school had a very special idea to make the day different. It was the Wizard of Oz Day. When I went to school, I saw most of our students dressed up as different characters. I thought the school was just like the Emerald City. First, our class, 6E, walked along "The Yellow Brick Road" on the seventh floor. Before I walked along the Road, I felt scared. When I went into the room, there was a beautiful garden. Flowers and trees were everywhere. Then, I took a deep breath and walked towards the black curtains. Behind the curtains, I saw Mr Tse. He was dressed up like the Wicked Witch. Ha ha! After that, we went down to the playground and prepared for our musical performance. When our performance started, many students joined us. We sang and danced together happily. Many teachers praised us on the show. I thought it was a really perfect performance. We were happy because the teachers appreciated our efforts.

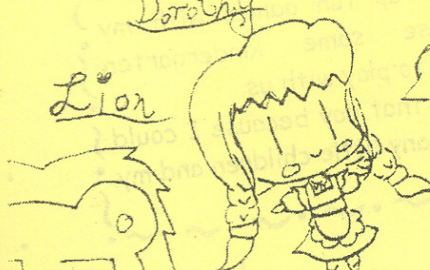

Before Chinese New Year, we had the Chinese Cultural Day. Do you still remember it? We're going to talk about it in the next issue.

香港、深圳兩地學校學生交流計劃

本校六年級學生與內地深圳南山區前海小學學生透過 webquest 網頁完成有關環保的專題研習，兩地學生於網上互相分享有關環保的資料。此外本校有 38 名六年級學生於 2007 年 12 月 21 日，前往該小學進行互相匯報。當天本校學生更被安排跟內地學生一起上課、進行聖誕聯歡及觀看雜技表演，獲益不少。

是次的交流計劃，本校為兩地學生設計了一個長達一整個上學期的教學設計，學生透過 webquest 網頁作引導，再於 KC 平台上跟內地學生討論及分享環保的資料，學生更能有效利用 KC 平台上的資料分析工具分析資料。本校學生表現積極，討論平台上有達 1000 個留言，成效非常顯著。
