My Happy School Life

I am a Primary 4 student. I have a happy school life at TWGHs Wong Yee Jar Jat Memorial Primary School.

My favourite subject is English. I like reading English and listening to English stories. Our school's English drama team **always** wins prizes in competitions. I feel happy for them.

There are many extra-curricular activities in my school. My favourite activities are swimming and dancing. I **have** also **joined** the swimming team and dancing team. I **have training once** a week. We get a lot of prizes and medals in the inter-school competitions. I am proud of being one of the members.

My school is going to have **its**15th anniversary this year. There are a lot of celebration activities. I am very happy and excited to enjoy them.
